

CANTON BULLDOGS

Athletic Boosters Meeting Minutes

Date: 10/16/19

In attendance: Kristen Maffeo, Julie Albert, Brian Fitzgerald, Christine Giglio, Carol Ciffolillo, Craig Allen, Courtney Stubelis, Bob Gallery, Eileen Chaput, Brett Burbank, Danny Erickson

Financial Report: Julie spoke with the accountant, the accountant was not able to get the statement out until this coming Friday. As of right now, the balance is \$110,000.

Team Rep Update: Nothing to report at this time.

Corporate Fundraising: Cheryl wasn't able to attend the meeting, but reports that Arch Orthodontics emailed and they will be mailing a check for \$1000. As of checking the mailbox yesterday, it has not yet arrived.

Membership Updates: Sue McCabe will be taking over the position of membership next year - Thanks Sue!! There are 105 family, 17 individuals, 2 general memberships. A hard copy of the postcards will be handed out to winter sports. We really need to look at having either coaches or team reps send out the membership link online to get more memberships. It was also suggested to run a quarterly ad in the Canton Citizen at the start of each sports season, and advertise it as a Booster supporter (as opposed to a membership). Bob Gallery will follow up with a friend of his who have an app on their phone for Booster memberships.

Snack Shack: Lauren and Nancy weren't able to attend the meeting, but reported that the remaining home games that are scheduled are covered with volunteers. They will give the financial update next month, but so far this fall they've brought in close to \$7000. They are still looking for a few Thanksgiving Day volunteers - if anyone can help out, please email Lauren Tourgee @ latourgee@gmail.com. The snack shack is still looking to get a new beverage refrigerator. A motion was made to approve up to \$2500 for a new refrigerator, which was approved by the board. The refrigerator should at least be the size that it is now, but also keeping into consideration the unit has to be moved up to the gym area for winter sports. Julie will give Lauren the card for Restaurant Depot. It should be investigated also for possibly buying two units (one that could stay in snack shack at field, and be ok for winter usage; and another for outside gym). Danny wants to talk with Lauren/Nancy about Boosters taking over the "snack shack" for winter sports outside the gym.

Bulldog Gear: Donna wasn't able to attend the meeting, but reported that she gave a deposit for \$735 to Julie last week for Spirit Wear. The first round of online orders was due to us last week, but should be ready by Friday or Monday.
