**Date:** January 14, 2020

**In attendance:** Kristen Maffeo, Julie Albert, Donna Yong, Lynne Valkanas, Eileen Chaput, Kim Mackay, Cheryl Cunningham, Craig Allen, Danny Erickson, Lisa Yeaton, Sue Desjardins

### **Financial Report:**

\*Julie presented the overall balance right now is \$146,000, \$73,300 is for team accounts.

### **Team Rep Update:**

\*Kim brought Sue. There are parent reps for the winter teams except for track.

### **Corporate Fundraising:**

\*Cheryl reports we brought in \$18,000 for this year, down a little from last year. We lost \$6500 from last year. Danny is going to reach out to Larry Pushard. Craig will contact Prestige. Julie is checking on the Jones Kelleher payment (believed it may have come in on credit card on September). Danny will follow through on checking with Bank of Canton on the big banner, and he will check with Marathon Sports about renewing their membership.

**Membership Updates:** Carol wasn't able to attend the meeting, but said there are two more memberships. She will get in touch with Julie to get her a check.

**Snack Shack:** Lauren wasn't able to make the meeting, but reported: The new refrigerator is in, and is fantastic! Research on the new outdoor refrigerator has come up empty. She spoke to the appliance manager at restaurant depot and he said unplugging during the winter months is effective and that heat/not cleaning the filters is more harmful than cold.

\*This weekend Lauren will make a deposit for the first part of the winter season. She believes the deposit will be around \$1600 with the sales from this week also.

\*More fans are asking about using cards to pay for items.

\*There are a few basketball games that need volunteers for snack shack if anyone is interested

### **Bulldog Gear:**

\*Donna brought up some concerns with the customer service at Piesco. We may want to consider different vendors.

### **Coaches Report:**

\*None at this time

### **AD Report:**

\*Danny would like to get support to change the big banners from corporate members to change from 4 banners to 3 banners. He's also making a recommendation for coaches to get reimbursement for professional development needs to be raised to \$300 from \$150. Motion made and passed.

\*Request for tennis machine from tennis coaches for up to \$1700. Motion made and passed.

\*We are moving forward on the bleacher redesign, and Boosters has agreed to help with that process. There is no updated quote yet.

\*Looking to paint some additional logos on gym floor (bulldog on a stance), and add Hockomock league logo to corners of the gym.

\*Hudl is going great! Jim Choquette sent an email praising how much its meant to the program this year. On behalf of all the coaches, he thanks Boosters.

\*Volleyball team is headed to the State house later this month. Things are going great for a lot of winter sports this season - including girls and boys hockey teams who are still undefeated at this point. There have also been a few NLI signings this month as well. Exciting time to be a bulldog!

### **Miscellaneous:**

\*Amica Companies Foundation check came in from the Patrick Corrigan matching gifts for \$150

\*Invoice came in from Canton Citizen for fall sports advertisement for \$315

\*At the next meeting, we need to make a priority to talk about transitioning some Boosters positions to new people.
