Snack Shack:

*Nancy was not able to attend the meeting, but wanted to express her opinion about the refrigerator for the snack shack. She recommended buying another refrigerator as opposed to moving the one bought for the gym down to the field. This would hopefully eliminate the risk in breaking it, losing shelving pieces, etc.

*Approval was given to increase the amount by \$500 to buy a new refrigerator from Restaurant Depot. The cost of getting a new refrigerator will be \$1400.

*Profit was brought in of \$2950 (plus some change) for the basketball season.

Bulldog Gear:

*Donna has a bucket of short sleeved T-shirts that she will sell for \$8.00 on the website.

*Christine Giglio will work with Donna to transition into taking over the Bulldog Gear.

*There will be one more spring run online - they will look into using Day Street Sports for this order.

Coaches Report:

*There is no coach yet for this position.

AD Report:

*Tournament season right now. Jonathon Chery won States for track in the 55 meter dash, Eddie Marinelli won the second state championship in wrestling. Natalie Kepler won the New England wrestling for girls. Two games tomorrow for the Boys Hockey game and the girls basketball game to start their postseason run. Girls Hockey will probably play this weekend. *Dave Bohane, football coach, has decided to step down as coach. There are about 20-30 applicants and Danny will be going through resumes this week to narrow down the candidates , then there will be an interview process with about 10-12 applicants. There will be a committee of AD, athletes, & parents to help make this decision. Hoping there will be a candidate by the end of March.

*Danny would like to have Dr. Dale back for next year for the athlete night. He comes from Duke for a couple days and works with coaches, captains, and works with the kids, as well as speaking at the athlete night. Danny is asking for approval of a budget of \$6000 to start talking with Dr. Dale about coming back to visit next fall.

*Another request is to continue working with Hudl. Danny would like to continue to use Hudl and would be looking for about \$11,000 approval to continue to use this tool. A vote was taken to continue with the Hudl, and approved.

*Danny requested \$3000 for coaching staff gear (jackets, sweatshirts). A vote and approval was given.

*Huge thank you to Boosters for the banners that are in the gym for the successful sports teams.

*Two bills from Trophies & Awards came - \$143.12 for Cross Country medals and plaque, and \$23.38 from Thanksgiving Day game for medals with ribbons for game day captains. (Danny took this)

*Two checks returned to Julie from Piesco - \$3498.75 from field hockey, and \$1240 (\$500 for general and \$740 for golf). Julie is aware of this, and Craig voided the checks. (Danny will give to Jule)
