The Scrip Program enables CHS Booster Club families and friends to purchase pre-paid gift cards to a wide range of retailers. Many popular retailers participate in our scrip program including American Eagle, The Gap, Shell, 99 Restaurant, Shaws, Stop and Shop, Pottery Barn, Marshalls, and many, many others. Our organization benefits when you purchase gift cards for your every day shopping!

A percentage of every dollar spent is paid back to the club - at no cost to you.

All you have to do is purchase gift cards through the CHS Booster Club, and the club receives a percentage of the sale. The gift cards you receive are the same as those you'd purchase directly from the store. Meaning, you can give them as gifts or use them yourself. Simply place your order using the Scrip order form (on our website) OR order online (see instructions below). Your cards will be delivered to you within a week of the order deadline.

To order *online*: Go to [www.ShopWithScrip.com](http://www.ShopWithScrip.com), click on "Family Sign-Up"
