AD Report- Danny Erickson

Retirement of CHS Cheer Coach team- Val Baker, Chrissy Baker, and Kelsey Cummings. They have coached for 9 years and done an outstanding job. CHS is to post the open job for a few weeks. Cheer team will conduct try-outs in the Fall and the summer camp is TBD.

Hudl- Goal is to have more teams utilize the film options. Currently paying \$1800 for a school wide plan which does not include Assist, which many teams at CHS use. 2 sports use Assist for an additional \$800 and football utilizes an additional function which has a fee of \$400. In total, CHS is paying approximately \$3K to Hudl and this does not include basketball or the camera in the gym. Currently, basketball teams use Crossover. Recently, Hudl purchased Crossover and they are now one family. The estimated cost to CHS Athletics is projected to increase significantly. Canton has been paying the 2012 rates and has been grandfathered in to continue for the 2019-2020 school year. After next year, the costs are expected to double. Danny is planning to negotiate a package with Hudl to include all current features used for a discounted rate.

Craig Allen made the motion and Donna Yong second the motion. All were in favor.

Next Meeting is set for June 13 at 7PM in CHS teachers lounge in the cafeteria.

There will be an August start up meeting for the Board -date TBD
